

Recycling in the Balfour Beatty Communities neighborhoods at West Point is a "single stream" operation, meaning there is no need to pre-sort your recyclable items. You may place all recyclable items in the yellow containers for scheduled removal. Recyclables are picked up on Mondays and Tuesdays.

Collection of ordinary, non-recyclable household refuse is done on the following schedule:

Thursdays: Stony I & II, Lusk, Old English South, Professor's Row, Washington Road, Wilson Road and Quarters 146, 150, 165, 173 & 378.

Fridays: Lee, Old Brick, Grey Ghost, New Brick, Merritt Road, Band & Old English North.

Yard waste and bulk item pick up is done on the same day as the ordinary household refuse is collected.

Yard waste (leaves/grass clippings/weeds) must be placed in brown paper bags.
