

Satellite Dish Request Form

Date: _____

Name: _____

Home/Duty Phone: _____

Address: _____

By the submission of this request to install a satellite dish, I am stating that I have read, understood and will adhere to the guidelines printed below.

- The satellite dish may be installed in the backyard on a galvanized pole. We suggest a professional do the installation.
- The satellite dish must be located away from any electrical power poles, or electrical lines. To prevent damage to buried utility lines and cables, do not dig in the quarter's area until you receive an approved dig permit.
- The satellite dish may not be installed on any part of the quarters. For example; roof, false chimney, vent pipe, window, gutter fascia or on any storage shed.
- BE CAREFUL, the Resident is liable for any damage or injury that may be caused by the satellite dish during installation, operation, or removal.
- The Resident is required to remove the satellite dish before terminating quarters. Final clearance will only be granted after the dish is removed.
- Flat cable must be used to run under doors and windows. No holes are to be drilled into the home.

Sign and return this request to Community Management office BEFORE proceeding with installation.
